---

[1] Sealing is disfavored, and the DA's Motion does not provide much information in support of its request to file under seal. The DA's Office has provided slightly more information in communications with this Court and the undersigned, but not enough for the undersigned to provide more specifics regarding their objection(s) to sealing at this time. The undersigned reserve the right to raise additional specific objections (or to withdraw their objection) if the DA's Office goes forward with the Motion and its factual basis is developed.
